In the subject Office Action, the Examiner issued an election requirement, acknowledged a provisional election made with traverse, and withdrew claims 13, and 15-18 from further consideration as being drawn to a non-elected invention. Furthermore, the Examiner rejected claims 1-12, 14 and 19-21 under 35 U.S.C. § 112. The Examiner also rejected claims 1-7, 12, and 20-21 under 35 U.S.C. § 102(b). Lastly, the Examiner rejected claims 8-11, 14, and 19 under 35 U.S.C. § 103(a).

Applicants herein amend the claims and discuss the election requirement and the claim rejections in response to the subject Office Action. Applicants request that the Examiner review and consider these amendments and remarks in response to the subject Office Action.
